COUNTY PATROL ASSOCIATION

ARTICLE 1 - INTRODUCTION

This Agreement is entered into between the County of York, hereinafter referred to as the "County" and the County Patrol Association, hereinafter referred to as the "Association".

ARTICLE 2 - PREAMBLE

Pursuant to the provisions of the Municipal Public Employees Labor Relations Act (Title 26, M.R.S A., the parties hereto have entered into this agreement in order to establish mutual rights, preserve proper employee moral and to promote effective and efficient operations.

ARTICLE 3 - RECOGNITION

The County recognizes the Association as the sole and exclusive bargaining agent for the purpose of negotiating salaries, wages, hours and other conditions of employment for all its eligible employees within the bargaining unit, as determined in accordance with the Municipal Public Employees Labor Relations Act as follows: Police Services full-time employees, Lieutenants, Sergeants, Patrol Deputies, and Detectives. Excluded are all other employees of the Sheriffs Office, as determined in accordance with the Maine Labor Relations Board certification dated February 02, 1999.

ARTICLE 4 - ACCESS TO PREMISES

Authorized representatives of the Association may enter the County premises during normal working hours for the purpose of inquiring into pending disputes and for the purpose of carrying into effect the provisions of this agreement, provided that neither such representative nor such visit shall disrupt the County's operations. Such visits by such representatives shall be arranged with reasonable notice to the Chief Deputy and/or the County Manager. A list of authorized Association representatives will be furnished by the Association to the County within fourteen (14) days of the signing of this Agreement.

ARTICLE 5 - ASSOCIATION SECURITY

1. All employees shall have the right to join the Association or refrain from doing so except as otherwise provided herein. No employee shall be favored or discriminated against either by York County or by the Association because of membership or non-membership in the Association. The Association recognizes its responsibilities as bargaining agent and agrees to

represent all employees in the bargaining unit without discrimination, interference, restraint, or coercion.

2 In the event this provision for Association security shall be declared to be invalid by any tribunal of competent jurisdiction, the Association shall indemnify and hold harmless the County of York from any and all damages, restitution of amounts paid hereunder, or other monetary liability which may accrue against the County of York by virtue of this provision.

ARTICLE 6 - CHECK-OFF

Any employee who at any time on or after the effective date of this Agreement is, or becomes covered by the Agreement and is not a member of the Association shall, as a condition of employment, within thirty (30) days after such conditions are met, be required to choose from the options of membership in the Association, or payment to the Association of a service fee equal to their pro-rata share of the costs to the Association of collective bargaining, contract administration and adjustment of grievances.

Within thirty days after the first twelve (12) months of the beginning of each employee's employment, or after six (6) months of the beginning of each employee's employment who has graduated from the Maine Criminal Justice Academy, the Employer will (1) deduct membership dues from the pay of any employee who chooses the option of membership in the Association by signing a written payroll deduction authorization form authorizing deduction from their pay of the membership dues, or (2) automatically deduct the service fee from the pay of any other employee.

The Association shall determine the amount of the service fee to be charged to non-members, consistent with the applicable law, and shall notify the Employer of the amount of the service fee. The amount of the service fee shall be subject to review pursuant to the American Arbitration Association's Rules for Impartial Determination of Union Fees. Pending resolution of any such dispute, the disputed amount of fees shall be placed in an interest-bearing escrow account. In the event a change in law requires that this type of dispute be resolved in a forum other than an arbitration under the auspices of the American Arbitration Association, the dispute resolution procedure will comply with law. All portions of this Article that are unaffected by the change in forum will remain in full force and effect.

The Employer agrees to distribute any notices, membership materials, application or dues deduction forms, provided by the Association, to new employees at the time they are hired. Each such employee who wishes to become a member of the Association shall be required to make their choice in writing on payroll deduction authorization forms supplied by the Association.

Notwithstanding the forgoing, an employee who has previously chosen to either become a member of the Association or to pay a service fee under the terms of the predecessor agreement shall not be required to reselect from the options.

The right to join the Association shall be determined by the Association's own

Constitution and Bylaws. Otherwise, employees may change their status with regard to membership in the Association or service fee payment as follows:

- a. Employees may change their status from service fee payer to the Association member or from the Association member to service fee payer, at any time.
- b. Employees may also start or eliminate their payroll deduction for the Association dues at any time.
- c. Employees who wish to eliminate payroll deduction for membership dues must tender their dues directly to the Association.
- d. In order to change status and/or eliminate or change any payroll deduction option consistent with paragraphs (a) through (c) above, the employee must provide a written notice to both the Association and the employee's payroll person. The Association and the payroll person shall promptly notify one another of a requested change, providing identifying information regarding the employee who made the request. It may take up to four weeks for the requested change to take effect.

In the event an employee subject to the service fee payment requirement has previously failed to pay the total amount of fees due, the Employer will automatically deduct from the employee's pay the arrears due to the Association in an amount which, in combination with the service fee due per pay period, equals 10% of the employee's gross pay until the arrears are paid in full, provided, however, that an employee may request the Association for a reduction in the percentage deducted for payment of arrears based on demonstrated financial hardship. The Association must certify to the Employer the name of any employee whose request is granted and the amount of the percentage to be deducted for payment of arrears.

The Association shall indemnify, defend and hold the Employer harmless against all claims and suits which may arise as a result of action taken pursuant to this Article.

ARTICLE 7 - MANAGEMENT RIGHTS

Except as expressly modified or restricted by a specific provision of this agreement, all statutory and inherent managerial rights, prerogatives and functions are retained and vested exclusively in management, including, but not limited to, the rights, in accordance with its sole and exclusive judgment and discretion: to take whatever action is either necessary or advisable to determine, manage and fulfill the mission of the organization and to direct the agency's employees; to reprimand, suspend, discharge or otherwise discipline employees for cause; to determine the number of employees to be employed; to hire employees, determine their qualifications and assign and direct their work; to evaluate employees' performances; to promote, demote, transfer, layoff, recall to work and retire employee; to set standards of productivity, the services and products to be produced; to maintain the efficiency of operations; to determine the personnel, methods, means and facilities by which operations are conducted; to set the starting and quitting times and the number of hours and shifts to be worked; to expand, reduce, alter,

The agency's failure to exercise any right, prerogative or function hereby reserved to it or the agency's exercise of any such right, prerogative or function in a particular way, shall not be considered a waiver of the agency's management right to exercise such right, prerogative or function or preclude it from exercising the same in some other way not in conflict with the express provisions of this agreement.

ARTICLE 8 - MAINTENANCE OF STANDARDS

Section 1 - Protection of Conditions

The employer agrees that all conditions of employment relating to wages, hours of work, overtime differentials and general working conditions shall be maintained at not less than the highest standards in effect at the time of the signing of this Agreement, and the conditions of employment shall be improved wherever specific provisions for improvements are made elsewhere in this Agreement. This provision does not give the employer the right to impose or continue wages, hours and working conditions less than those contained in this Agreement, unless specifically agreed to by both parties.

Section 2 - Extra Contract Agreements

The employer agrees not to enter into any agreement or contract with members of the bargaining unit individually or collectively, which in any way conflicts with the terms and provisions of this Agreement. Any such agreement shall be null and void. This shall not preclude the Association and the County from entering into negotiating an approved addendum to this Collective Bargaining Agreement.

ARTICLE 9 - ASSOCIATION REPRESENTATIVES

An employee who is a member of the Association's Board of Directors (or alternate) will be allowed time-off, with pay, during his/her regular work hours or shift hours, by permission of the Sheriff or Chief Deputy to investigate grievances, to attend grievance hearings and to transmit official messages, but in no case shall such time-off exceed a total of two (2) hours per week except with the verbal permission of the Sheriff or Chief Deputy. A grievance is hereby defined as any dispute between the parties as to the meaning or application of the specific terms of this Agreement. Disputes arising between the parties shall be settled as follows:

A) The aggrieved employee and/or the Association representative must present the grievance in writing to the Sheriff or his designee within twenty (20) working days of knowledge of the grievance. For purposes of this Agreement "working days" shall mean the period commencing Monday at 8:00 a.m., and ending Friday at 5:00 p.m., excluding holidays.

B) Within ten (10) working days after the grievance is presented by the employee and/or Association representative, the Sheriff or his designee will meet with the employee and/or Association representative to discuss the grievance. The Sheriff or his designee will respond, in writing, to the aggrieved employee within five (5) working days after the meeting date.

C) Within five (5) working days after the written response of the Sheriff is due, if the grievance is not resolved between the parties, the aggrieved employee may submit the grievance, in writing, to the County Manager. If the grievance is not resolved between the parties within ten (10) working days of filing with the County Manager, the aggrieved employee may then submit the grievance, in writing, to the County Commissioners.

D) Within ten (10) working days after the County Manager's due date for a written answer to the grievance, the County Commissioners will hold a meeting on the grievance with all concerned. Within five (5) working days after the meeting, the County Commissioners will respond, in writing, to the aggrieved employee as to the decision on the grievance.

E) In the event that the decision of the County Commissioners is not rendered pursuant to Section D above or is not acceptable to the grievant or the Association, the Association or the employee may, within ten (10) working days of the receipt of the County Commissioners' decision, file a written request for arbitration of the issue. If the County and the Association or employee cannot agree upon the selection of the Arbitrator(s) within ten (10) working days from the receipt of the written request for arbitration, the party (ies) may request arbitration of the grievance under the procedures of the Maine Board of Arbitration and Conciliation or the Federal Mediation Conciliation Services. The decision of the Arbitrator(s) shall be final and binding on parties.

F) The Arbitrator(s) shall have no authority to amend, nullify, ignore, add to, or subtract from the specific provisions of this agreement.

G) The Arbitrator's decision shall be final and binding on the parties and the

Arbitrator(s) shall be requested to issue the decision within thirty (30) days after the conclusion of testimony and final argument.

Expenses for the Arbitrator's services and the proceedings shall be borne equally by the County and the Association. However, each party shall be responsible for compensating its outside witnesses. If either party desires a verbatim record of the proceedings, it may cause a record to be made providing it pays for the record and makes copies available, without charge, to the other party and to the arbitrators.

H) The time limits for the processing of grievances may be extended by written mutual consent of the County and the employee or the Association.

I) All grievances shall be initiated not later than twenty (20) working days after the occurrence of the event giving rise to the grievance, or within twenty (20) working days of the first knowledge of the grievance.

J) The Arbitrator(s) shall be without power or authority to make decisions which require the commission of any act prohibited by law or which is violative of express terms of this agreement.

ARTICLE 11 - SEPARATION FROM COUNTY EMPLOYMENT

A. Upon separation from employment, the County will pay to the separating employee all wages owed and any accrued earned time, which is due the employee except as follows. The parties understand and agree that a portion employee's earned time shall be, considered to have been earned for the purposes of sick time. That amount of earned time considered to have been earned for sick time shall only be paid out if the employee leaves employment voluntarily and in good standing. Good standing will be defined as not currently under investigation for an offense or offenses that would result in serious disciplinary action. Serious disciplinary action will be defined as a five day or more suspension. At the time of separation, the employee must also have not received serious disciplinary action within the past (12) twelve months. Nothing in this agreement shall prohibit the CPA and the County of York from negotiating a settlement as part of the separation from employment agreement.

Subject to the above, that portion of earned time considered to have been eared for sick time may be paid out on the following terms: Employees with less than five (5) years of creditable service shall have forty (40) hours per fiscal year considered as earned for sick time purposes and that amount will be deducted from their remaining earned time accruals. For the current year the hours will be prorated at 10 hours per quarter. An example would be an employee departing January 1st of a particular year that employee would be charged only twenty (20) hours of sick time since the employee had worked half of the fiscal year.

Employees with more then five years but less then 10 years of creditable service will have 20 hours per fiscal year considered as earned for sick time purposes and will have that

amount deducted from their earned time accruals. For the current year the hours will be prorated at 5 hours per quarter compared to the example above.

Employees, with more than ten (10) years of creditable service, who retire under any recognized retirement plan or separate from employment shall be reimbursed their unused earned time at one hundred (100%) percent of their current hourly base rate.

Full payment of unused earned time, regardless of length of service, shall be paid to an employee's estate in the event of his/her demise. Such wages and accrued earned time will be paid on the next regular payroll day provided that all issued equipment; clothing and any gear have been returned to the County.

B. In all cases of voluntary separation, the employee shall provide the County with a written notice of intent to terminate employment at least two (2) work weeks in advance of the actual termination date, wherever possible.

ARTICLE 12 - SENIORITY

A. The County will prepare a seniority list for the Police Services Division, with the employee with the most years of continuous service from the last date of hire listed first, seniority lists will be updated annually by the County.

B. The annual updated list will be submitted to the President of the Association by January 2nd of each year for the Association to review. Any objections to the list, by the Association, shall be reported in writing to the Sheriff or County Commissioners by January 15th next or the list shall stand as presented.

C. Seniority, for the purpose of this Agreement, shall mean length of continuous service from the date of last hire in the Police Services Division.

D. Seniority shall be a factor in promotions, when employees are otherwise substantially equally qualified by virtue of work performance, knowledge, skills, abilities and experience and will be factored in all matters affecting lay-off, recall from lay-off and vacation preference.

E. In the event of a pending reduction in work force, all affected employees shall receive two (2) calendar week notice of lay-off and the Sheriff or his designee will meet with the affected employees, prior to the lay-off date, if the employee requests it in writing. Seniority will be a factor for consideration and employees may be laid off in the inverse order of their seniority in rank, and bumping rights will be allowed. Employees shall be recalled from lay-offs in the inverse order of the lay-off unless they decline to return. No new employees will be hired until all employees on lay-off status have been afforded one (1) recall notice. All recall notices shall be sent by registered mail and acceptance certified.

F. When an employee is promoted, his/her seniority in that rank for shift bid purpose starts when the promotion takes effect. Except that for the purpose of accumulating earned time, bumping rights and other benefits, it shall be from the time of hire in the Police Services Division.

G. Employees affected by a reduction in force in their current rank shall have bumping rights over less senior employees of a lower rank previously held by the affected employee. Less senior shall be determined by the date of hire with the Police Services Division.

H. Seniority will allow the employee to bid on shift vacancies and days off as they become available.

A. ORAL INTERVIEW BOARD

The oral interview board shall consist of one (1) member of the public, three (3) law enforcement professionals as chosen by the Sheriff or his designee, and one (1) member chosen by the candidates' bargaining unit for a total of five (5) board members. The County Manager or his designee will conduct and oversee the oral interview. He or she will ensure that proper procedures are followed during the interview. The moderator does not score the proceeding. He or she tabulates each member score.

The highest and the lowest score of the five (5) board members shall be eliminated with the remaining three (3) scores averaged. Candidates will be ranked according to their total score.

$$\text{RAW SCORE} \times .30 = \text{SCORE FOR ORAL INTERVIEW}$$

Each candidate shall receive their oral interview score from the County Manager. No candidate will be eliminated as a result of this score from the Oral Interview Board.

B. RESUME REVIEW

C. WRITTEN TEST

The written promotional test will be administered by the Sheriff or his designee. The passing score for the written test will be at least 70% correct answers of the total questions asked on the examination or the passing score as recommended by the vendor of the examination used by the Sheriff. Each candidate will be made aware of this, two weeks prior to the administration of the written examination. A weight for the written step of this process shall be:

$$\text{RAW PASSING SCORE} \times .25 = \text{SCORE FOR WRITTEN TEST}$$

Each candidate shall receive their written score from the County Administrator. Seventy percent (70%) of correct answers of the total questions asked on the examination is a passing score, and will be the minimum required to progress to the next step.

D. SENIORITY

The definition of seniority for purposes of this promotional procedure is actual full-time Law Enforcement Experience. One (1) percentage point for each year of actual full-time Law Enforcement with the York County Sheriffs Office to a maximum of fifteen (15) percentage points. Full-time Law Enforcement experience with any other Law enforcement Office/organization shall be calculated at .50 (1/2) percentage points. No candidate shall accumulate in the aggregate more than fifteen (15) percentage points.

E. SHERIFF'S INTERVIEW

The County Manager will review and tabulate all scores of the steps of the process and will present a list to the Sheriff as to those candidates that have passed the first two steps of the process. This list will be presented in alphabetical order. There will be no knowledge of test scores at either step by the Sheriff.

Once the Sheriff has interviewed each candidate, the Sheriff shall affix a score, which he determines for that candidate's performance in the Sheriffs interview. A passing score shall be 70% of the total number of points which the candidate could receive, and will be the minimum required to have successfully passed this component.

The weight of the score shall be:

$$\text{RAW SCORE} \times .15 = \text{SCORE FOR THE SHERIFF'S INTERVIEW}$$

Once the scores of the Sheriffs interview have been forwarded to the County Manager, a list will be submitted to the Sheriff of those candidates who are eligible for promotion. The list shall include the candidates' name and the score overall, after the five (5) steps. The Sheriff shall have the authority to select from the top three (3) candidates, and shall select the candidate for the position. If the number one (1) candidate is not selected, the unsuccessful candidate shall have the right to request a meeting with the Sheriff to discuss why he/she was not selected.

F. NON-ARBITRABLE

Promotions shall not be arbitrable, as long as the promotional process has been completely adhered to.

G. REGARDING PROMOTIONAL SALARY SCALE

The County of York and County Patrol Association agree that when unit members are promoted in accordance with the provisions of Article 13 of this agreement, that they will retain the same salary scale longevity step as at present and move vertically on the compensation scale (i.e.: individual promoted from C4 patrol to D4 sergeant).

This specifically protects an individual being promoted from suffering financial penalty. This does not apply retroactively to any employee promoted prior to July 7, 1999.

ARTICLE 14 - WORKWEEK AND OVERTIME

The current workweek schedule for the Police Services Division shall remain in effect for the duration of this agreement unless the parties agree mutually to amend the work schedule.

All regularly scheduled hours in excess of forty (40) hours in any one pay period shall be compensated at the rate of one and one-half (1 1/2) times the base hourly rate of pay of the employee. For the purpose of this Article, regular scheduled hours means hours that are scheduled during each month for each pay period. For the purpose of calculating overtime during a weekly basis earned time and compensatory time used shall count towards overtime.

There shall be two primary shifts consisting of eight (8) and ten (10) hour shifts. All hours in excess of the scheduled shift will be compensated at a rate of one and one-half (1-1/2) times the base hourly rate of the employee. The Sheriff reserves the right to increase or decrease shift hours in the event of an emergency or if patrol coverage is decreased to less than twenty-four (24) hour coverage. The Sheriff shall consult with the Association prior to any changes.

All available open shifts will be directed to full-time, off-duty and available employees, on a rotating list by seniority, in rank. In cases where overtime is refused, the shift supervisor shall order in the most junior employee on the seniority list in the reverse rotation upward. Detectives, because of their type of work and on-call schedule, will be exempt from the order-in list. Employees ordered in may choose to find a suitable replacement and shall have fulfilled their responsibility. Employees cannot be ordered in on days off unless there is an emergency as determined by the Sheriff or his designee. Employees can be ordered in when necessary. Employees can not grieve the loss of overtime if they are not available by telephone, answering machines, pagers, etc.

During storm or other emergency situations, the maximum hours worked should not exceed two (2) shifts in a twenty-four (24) hour period. Emergency short notice substitutions may be made by the Sheriff from Reserve personnel to obtain shift coverage when regular

employees are not available.

Actual hours worked by an employee shall not exceed twenty (20) hours per day or seventy-two (72) hours per week, unless there is an emergency as determined by the Sheriff or his designee. There will be only two non-consecutive twenty (20) hour shifts allowed in any one pay period and they shall not be consecutive from pay period to pay period.

If an employee signs up for an open shift, that employee is responsible for working that shift. The supervisor or designee will fill the shift by utilizing the rotating call list. If the employee is unable to work that shift, that shift will be filled by utilizing the call list.

Employees working overtime have the option of electing to receive compensation time in lieu of overtime. This irrevocable election must be made by the employee in writing by writing "compensatory time" on the weekly time record. Compensatory time of 1.5 hours shall be accrued for each overtime hour worked. Employees can accrue a maximum of 40 hours compensatory time per calendar year. Compensatory time may be used by an employee only where no replacement is required for the employee.

At the discretion of the Sheriff (or designee) and with at least 24 hour notice, employees may swap shifts with other employees, but no more than one (1) shift per payroll week and no more than two (2) shifts per month. Any shift swaps exceeding these guidelines must have prior approval from the Sheriff. Shift swapping is administered on the honor system and shall not be subject to the grievance procedure.

If the County Commissioners, pursuant to an order of the County Manager or County Commissioners, authorizes a paid holiday, over and above those designated on an annual basis to non-union and MSEA employees, essential employees required to work on such a day will accrue compensatory time off for all hours worked in the form of additional earned time

ARTICLE 15 - COURT TIME

An employee who is required to attend court outside of his/her regular work shift hours shall receive a minimum of four (4) hours pay at one and one-half (1-1/2) times his/her base hourly rate of pay. If an employee is required to stay in attendance at such court more than the four (4) hours in any one (1) day, he/she shall be paid for the actual time spent that day. This section applies only when court time results in hours which are not annexed consecutively to one end or the other of the working day or the working shifts. Funds provided by statute or court order, shall be turned over to or paid to the County and not retained by the employee. Time compensated for by the court time pay shall not be considered time worked for overtime computation purposes. For the purpose of this article, all' court-related issues include screenings, suppression hearings or actions required by the District Attorney, the Maine Attorney General, or the United States Attorney's Office.

ARTICLE 16 - CALL BACK TIME / CALL OUT TIME

An employee called back to work shall receive a minimum of four (4) hours pay at one and one-half (1-1/2) times the hourly rate of his/her base hourly rate of pay for the work for which they are called back. This section does not apply to scheduled overtime or to court time. This section applies only when call-back results in hours which are not annexed consecutively to one end or the other of the working day or the working shifts. This section does not apply to scheduled overtime, early-in times annexed to the beginning of the workday or work shift nor to hold over times annexed to the end of the work shift or workday, nor to court time. Time compensated for by call back/out pay shall not be considered time worked for overtime computation purposes. For the purposes of this article, Bureau of Motor Vehicle hearings and Administrative inquiries outside regularly scheduled work hours shall be considered call back.

Call Back Time / Call Out Time is considered any time you are called back or called out to work after completion of your regularly scheduled work day or on a day off.

Day after Thanksgiving	4 th Friday of November
Christmas Day	December 25

1. On the observed holidays, all employees shall receive their regular rate of pay for a full shift in an amount equal to their regularly scheduled shift. Non patrol deputies who are not required to maintain essential services will be excused from all duty and shall receive their regular rate of pay for the observed holiday. This time shall count towards overtime only if the holiday falls on their regularly scheduled shift.
2. Employees who are scheduled to work on the observed holiday will receive compensation at the rate of one and one half (1 ½) times their regular rate of pay for all hours worked.

If a holiday is observed during an employee's earned time, the employee shall be charged only for the earned time days actually used in the week in which the holiday occurs. The employee will be paid holiday pay on the holiday, not earned time pay, at their regular rate of pay.

ARTICLE 18 – Earned Time

Earned time is an alternative approach to the traditional manner of covering absence(s) from work.

Earned Time hours may be used any time after being earned, including during the employee's introductory period. Earned Time hours will be used to cover every absence from the job with the exception of absences for work related injuries covered by workers compensation, absences for which payments are being made pursuant to short term and long term disability insurance policies, and/ or absences because of placement on paid administrative leave. During an absence from work that is not paid directly by the County to an employee, the County is authorized to subtract from an employee's accrued earned time an amount of time sufficient to pay for the employee's share of any health insurance or other premium and the employee's share of any retirement plan contribution. A physician's statement may be required at any time to substantiate an extended absence (more than 30 hours) due to illness. Exceptions may be made at the discretion of the County Manager or designee.

Transfer and buyout of existing accruals

On the date of signing by the County Commissioners the County will

1. Automatically payout all compensatory time on the books
2. Transfer over all vacation, sick, admin and earned personal time and convert it to Earned Time
3. At the employee's option and request the County will authorize a one-time buyout in any amount up to and including all accruals.

As of the date of signing, the County and the Association agree that the combination of time previously earned under sick, vacation and five eliminated (5) holidays, employee's will now be known to be, earned time. Members will accumulate earned time in the following rates depending on the employee's length of service:

New hire to completion of five (5) years:	5.12 hrs/week
six (6) years to the completion of ten (10) years:	5.58 hrs/week
eleven (11) years to the completion of fifteen (15) years:	6.35 hrs/week
sixteen (16) years to the completion of twenty (20) years:	7.12 hrs/week
Twenty one (21) plus years:	7.89 hrs/week

Members can accumulate a maximum of up to nine hundred and fifty hours (950) hours of earned time at any time. Each hour above the maximum accumulation will be paid out during the first pay week of June of each year at the rate of fifty (50) percent of the member's regular rate of pay.

Once per calendar year, the County will allow any employee to sell back 100 hours of his/her earned time.

Extended use of earned time, defined as thirty (30) or more hours, shall be submitted in the form of a written request to the sheriff or designee. Approval, by the Sheriff or his designee, shall be considered tentative and must be confirmed prior to use. However, denial of extended earned time leave must be in writing and the employee may request a personal meeting with the Sheriff or his designee for a discussion. An Association representative may accompany the employee at the employee's option. Earned time scheduled and approved may only be changed by the employee on an equal swap basis with the approval of the Sheriff or designee.

An employee shall report earned time leave to his/her immediate Supervisor two hours prior to the start of his/her regularly scheduled work day if possible and in no instance later than one half (1/2) hour before the start of his/her regularly scheduled work day. Failure to comply with this requirement without just cause may be cause for disciplinary action.

Earned Time does not accrue while an employee is out on any unpaid leave except leaves designated by statute.

ARTICLE 20 - BEREAVEMENT LEAVE

In the event of death in the immediate family of an employee, the employee shall be granted up to five (5) days leave of absence, with pay, to make household adjustments or to attend funeral services. "Immediate Family" is hereby defined to include spouse, children, step-children, mother, father, brother, sister, parents-in-law, step-parents, grandparents, foster parents, grandchildren, or persons living in the immediate household.

In the event of the death of the employee's or spouse's aunt, uncle, niece, nephew, relatives or persons residing in the same household, permission may be granted to attend the funeral and related events for a period up to two (2) working days. Permission to attend must be approved by the Sheriff or his designee.

All serious offenses (suspension, but less than discharge) shall be removed from the file and placed in the "purged" file, if no recurrence of disciplinary action is received by an employee within the next twenty seven (27) months

The County shall maintain for each employee a "purged" file in which any and all disciplinary action shall be maintained after being removed from the employee's personnel file. Purged disciplinary records can only be used for purposes of litigation where a court has ordered the release of otherwise confidential personnel file information. The employee's name shall be redacted from all relevant files except if required by specific court order.

Record Retention Following Purging From Personnel File:

Once purged from the personnel file records relating to officer discipline shall be destroyed unless the discipline alleged or sustained involves a violation of the individual rights of a member of the public or

of this Office or serious violations of Office rules and regulations, including but not limited to unsafe operation of a motor vehicle or other offenses that have the potential to generate liability of the agency or its members to third parties.

If a disciplinary record qualifies for retention as provided in paragraph A above, the disciplinary record shall be placed in an envelope with a verifiable seal to ensure against unauthorized access. Two indexes will be maintained by the County regarding the contents of purged files. The first index shall list officers, alphabetically by last name, who have records in the repository. The second list shall be a list of files, indexed by date closed and the subject matter of the disciplinary action.

The repository shall be locked, and access by any County personnel shall be strictly limited to those identified persons with a need to place additional records into the repository. The County shall, to the extent feasible, attempt to ensure the destruction of all additional copies of such records following the litigation, and the return of the original records to the sealed condition in the locked repository.

Violations of this contract by bargaining unit members shall not be construed to be an existing "past practice" and are not grievable.

ARTICLE 23 - LEGAL (CIVIC) LEAVE

An employee summoned to jury duty will be excused from his/her work for the required period necessary to perform jury duty. He/she will be entitled to his/her regular wages during this period, less the amount received from the jury duty. The following example uses “round numbers” and is for illustrative purposes only to demonstrate how the above calculations will be made:

Type of Plan	Monthly Premium	Calculation	Employee Cost
Single Plan	\$1,000	15% of \$1,000	\$150 per month
Family Plan	\$2,200	$ \begin{aligned} & \$2,200 \\ & - \underline{\$1,000} \\ & = \underline{\$1,200} \\ & \times 50\% \\ & = \underline{\$600} \\ & + \underline{\$150} \\ & = \underline{\$750} \end{aligned} $	\$750 per month

Eligibility for and participation in the above-referenced health insurance plans shall be effective as of July 1, 2012
